## **Important Notice**

This Announcement is for information purposes only and does not constitute an offer, solicitation or invitation to subscribe for and/or purchase the Bonds in any jurisdiction in which such an offer, solicitation or invitation is unlawful or is not authorised or to any person to whom it is unlawful to make such an offer, solicitation or invitation. No person should subscribe for or purchase any Bonds except on the basis of the information contained in the Offer Information Statement.

The information contained in this Announcement is qualified in its entirety by, and should be read in conjunction with, the full text of the Offer Information Statement. Anyone wishing to subscribe for or purchase the Bonds should read the Offer Information Statement in full and must make an application in the manner set out in the Offer Information Statement.

Investors should note that their investment in the Bonds involves risks including the risk that the Issuer and/or the Guarantor may default in the payment of any principal or coupon under the Bonds. Also, the market value of the Bonds, which are fixed income securities, is susceptible to fluctuations in interest rates as well as other factors such as the financial condition of the Issuer and the Guarantor. Accordingly, if the Bonds are sold before their due date of maturity, investors may realise a loss on their initial investment. As some bonds may not have an active secondary market, there is no assurance that investors will be able to sell their bonds if they wish to realise their investment prior to the due date of maturity of the Bonds. Nothing in this Announcement shall be construed as a recommendation to purchase or subscribe for the Bonds by the Sole Lead Manager and Bookrunner or any of the Participating Banks.
